RELEASE OF LIABILITY AND ASSUMPTION OF RISK

This agreement contains provisions whereby you surrender certain legal rights. Please read it carefully.

1. ACKNOWLEDGEMENT

I understand that I am required to read carefully and sign this Release of Liability and Assumption of Risk form before hunting and/or participating in any training with Limpopo Wildlife Eco College ("the College").

2. RECOMMENDED INSURANCE

I understand that the College encourages me to obtain the following types of insurance, which I understand are commercially available:

- Accidental death and disability
- Emergency medical evacuation
- Major medical insurance
- Loss of personal effects
- Trip cancellation

3. ASSUMPTION OF RISK

I am aware that adventure travel, training and related activities, including hunting — whether in civilised or remote areas, by plane, train, automobile, boat or any other conveyance, or on foot — involve inherent risks of illness, injury, death, or loss of and damage to property, which may be caused by the negligence of others, forces of nature or other causes, known or unknown. I recognise that such risks may be present at any time before, during and after the training and/or trip in which I participate under the arrangements of the College. I am also aware that medical services or facilities may not be readily available during the time that I am participating in this training and/or trip.

4. RELEASE AND INDEMNITY

I certify that I have read all of the above and fully understand its contents and the type of risks inherent in such training and/or trips. With respect to this training and/or trip and the activities, services, travel arrangements, food and drink arranged for me by the College, I ("the Releasor") agree, on behalf of myself and any minors accompanying me, to hold harmless and release the College, its agents, employees and professional hunters from any accident, claims, losses, damages or liabilities — including death, disability, injury, or loss of or damage to the Releasor's property — which might occur during the activities of this trip and/or training, including without limitation losses arising out of strict liability or the joint or concurrent, active or passive, negligence of the College. I expressly assume any and all such risks with respect to the training, activities and circumstances described herein, and I undertake not to sue the College, its agents, employees and/or professional hunters on account of this agreement. I understand that this release does not apply to claims and damages caused solely by an intentional act of the College, its agents, employees and/or professional hunters. I agree that the foregoing obligations shall be binding upon me personally, as well as upon my heirs, executors, administrators and the members of my family, and shall also be binding upon any minors accompanying me.

I agree to abide by the decision of my tutors and/or Professional Hunter to take back-up shots at any animal if, in their opinion, that animal may represent a threat to human safety or needs to be put out of its suffering. I agree to pay in full all costs incurred before the conclusion of the hunt, including any costs that may arise from my Professional Hunter's and/or tutor's back-up shots.

6. WEATHER AND FORCE MAJEURE

I acknowledge that the College cannot be held responsible for any weather phenomenon or any act of God whatsoever.
